MOTHER COCKTAIL BAR

Mother Cocktail Bar is a drinkery house that bases their entire program on fermentation and transformation, with a focus on elevating the Canadian Cocktail Scene. Due to the pandemic, Mother branched out to become E-Mother where customers can support them by buying cocktail kits and products online. Collaborating with some of the finest independent-venues as (Cot le Beauf, Ration Food Lab, 135 Ossington, Nickel9 distillery etc.) building strong, local support during these times.

NORTH OF HERE

North of Here is elevating the make-at-home meal delivery market by bringing Michelin Star quality meal kits to homes across Toronto. They serve modern Canadian cuisine, with an emphasis on simplicity, purity, and seasonal flavours. Our goal is to make fine dining approachable by transporting the luxuries of a restaurant to the comfort of your own kitchen. All of our dishes come with recipe cards, all the mise en place you will need, and require minimal cooking so that you can spend your evening having fun with your loved ones.

SALTY PALOMA COCKTAIL CLASSES

This pandemic has led to a ton of Virtual Cocktail Kits and Classes available, but not every kit comes backed up with the legend Evelyn Chick to the mix.

At Salty Paloma, you'll find professional, curated cocktail kits with goodies paired up with only the best ingredients. Plus, this team is supporting those in the hospitality industry unable to work during these times. Classes are all booked up until the end of the year, but you can gift an experience for next year or get some premium kits sent your way!
